### **Metrolink Regional Rail Service**

Metrolink operates regional rail service on six routes in the greater Los Angeles area. Five of these routes radiate from Los Angeles Union Station, while the sixth connects San Bernardino and Riverside with Orange County.

**Ventura County Line:** Weekday-only trains operate in each direction on the Ventura County line. Most trains operate during peak hours, with a limited amount of off-peak service. Most service operates between Moorpark or Chatsworth and Los Angeles, although some trains also serve Oxnard and Camarillo. Trains stop at all Amtrak stations along the line, as well as other Metrolink-only stops.

Antelope Valley Line: Most weekday trains operate during peak hours, with limited off-peak service on the Antelope Valley line. Trains operate to/from Santa Clarita or Princessa, with some extended to Lancaster. Saturday service consists of four round trips to Lancaster. Trains stop at the Glendale Amtrak station. Amtrak Thruway buses to the San Joaquin Valley stop at the Metrolink stations in Lancaster, Palmdale and Santa

Additional service between Burbank Airport and Los Angeles: To augment the weekday round trips provided between Burbank and Los Angeles by the two above routes, additional trips operate between Burbank-Bob Hope Airport or Burbank and Los Angeles.

San Bernardino Line: Weekday trains operate on the San Bernardino line between San Bernardino and Los Angeles--providing all-day service including more frequent service during peak periods. Saturday and Sunday service consists of several round-trips evenly spaced throughout the day operating between San Bernardino and Los Angeles (most of these trips also serve Riverside). The San Bernardino terminal is also served by Amtrak's Southwest Chief and Amtrak Thruway bus service to the San Joaquin Valley. Amtrak Thruway buses also stop at the Claremont

Riverside & 91 Lines: Most weekday trains operate during peak hours, with a limited amount of off-peak service on the Riverside and 91 lines. The Riverside line operates via East Ontario, while the 91 line operates via Fullerton. The Riverside Metrolink station is also served by *The* Southwest Chief and Amtrak Thruway buses to the San Joaquin Valley.

Orange County Line: Weekday-only trains on the Orange County Line operate mostly during peak hours. Some operate to or from Oceanside, while the others operate to or from Irvine or San Juan Capistrano. Trains serve all Amtrak stops along the line, as well as other Metrolink-only stops.

Inland Empire-Orange County Line: Weekday-only trains operate on Metrolink's line between San Bernardino or Riverside and Irvine or San Juan Capistrano. Most operate during peak hours with limited off-peak service.

Under the Rail 2 Rail Program Metrolink monthly pass holders may ride any Amtrak train or bus within the limits of the pass, but other Metrolink tickets are not valid on Amtrak trains or buses. Amtrak ticket holders may ride any Metrolink train within the limits of their ticket. Between Burbank Airport, Glendale, and Los Angeles, any Amtrak or Metrolink ticket may be used on any train.
